Tricia Webber, County Clerk
Rita Sanchez, Assistant County Clerk

Welcome to the June 2, 2026 electoral process. Regardless of who wins, we hope that this is a positive experience for you.

The County Clerk/Elections Department is dedicated to helping all qualified candidates get their name printed on the ballot and to ensuring that the election is fair, accurate and transparent. For the uninitiated, the process can be confusing, with resulting errors and misunderstandings. Although this handbook is a guide for candidates, it is for general information only and does not have the force and effect of law, regulation, or rule. In case of conflict, the law, regulation, or rule will apply. Candidates and others using this handbook must bear full responsibility to make their own determinations as to all legal standards and duties.

The best advice I can give to all candidates is FILE EARLY. The filing deadlines are rigid and if you wait until the last moment to file a document containing errors or omissions, your right to appear on the ballot may be lost. Most errors can be corrected given adequate time. We hope you find this Candidate's Handbook useful. We have also added many services and resources to our website at www.votescount.santacruzcountyca.gov.

Each day we will update "Candidate Watch" on our website listing who has filed for which offices. You can also find this manual on our website, as well as other tools to assist you in conducting your campaign.

Should you have any suggestions for improving the manual or have identified corrections to be made, please call me, County Clerk Tricia Webber at 831-454-2409 or e-mail me at tricia.webber@santacruzcountyca.gov.

Sincerely,

Tricia Webber
County Clerk

The FPPC educates the public and public officials on the requirements of the Act. It provides written and oral advice to public agencies and officials; conducts seminars and training sessions; develops forms, manuals, and instructions; and receives and files statements of economic interests from many state and local officials.

The FPPC investigates alleged violations of the Political Reform Act, imposes penalties when appropriate, and assists state and local agencies in developing and enforcing conflict-of-interest codes.

The FPPC regulates:

- campaign financing and spending;
- financial conflicts of interest;
- lobbyist registration and reporting;
- post-governmental employment;
- mass mailings at public expense; and gifts and honoraria given to public officials and candidates.

Residence and Domicile

To qualify for most offices, a candidate must be a registered voter of the district or division thereof. The following code sections will assist in determining residence.

Elections Code §349. Residence and Domicile

“Residence” for voting purposes means a person’s domicile. The domicile of a person is that place in which his or her habitation is fixed, wherein the person has the intention of remaining, and to which, whenever he or she is absent, the person has the intention of returning. At a given time, a person may have only one domicile. The residence of a person is that place in which the person’s habitation is fixed for some period of time, but wherein he or she does not have the intention of remaining. At a given time, a person may have more than one residence. (Added by Stats. 1994)

Elections Code §2020. Term of domicile

The term of domicile is computed by including the day on which the person's domicile commenced and by excluding the day of the election. (Added by Stats. 1994)

Elections Code §2021. Person away for temporary purposes

A person who leaves his or her home to go into another state or precinct in this state for temporary purposes merely, with the intention of returning, does not lose his or her domicile.

A person does not gain a domicile in any precinct into which he or she comes for temporary purposes merely, without the intention of making that precinct his or her home. (Added by Stats. 1994)

Elections Code §2022. Move to another state

If a person moves to another state with the intention of making it his or her domicile, the voter loses his or her domicile in this state. (Added by Stats. 1994)

Elections Code §2023. Move to another state

If a person moves to another state as a place of permanent residence, with the intention of remaining there for an indefinite time, he or she loses his or her domicile in this state, notwithstanding that he or she intends to return at some future time. (Added by Stats. 1994)

Elections Code §2024. Intention and fact of removal

The mere intention to acquire a new domicile, without the fact of removal avails nothing, neither does the fact of removal without the intention. (Added by Stats. 1994)

Elections Code §2025. Employment in the service of the United States; Navigation; Institution

A person does not gain or lose a domicile solely by reason of his or her presence or absence from a place while employed in the service of the United States or of this state, nor while engaged in navigation, nor while a student of any institution of learning, nor while kept in an almshouse, asylum or prison. This section shall not be construed to prevent a student at an institution of learning from qualifying as an elector in the locality where he or she domiciles while attending that institution, when in fact the student has abandoned his or her former domicile. (Added by Stats. 1994)

Elections Code §2026. Domicile of Legislative Member or Congressional Representative

The domicile of a Member of the Legislature or a Representative in the Congress of the United States shall be conclusively presumed to be at the residence address indicated on that person's currently filed affidavit of registration. (Added by Stats. 1994)

Elections Code §2027. Domicile of family; residence in trailer

The place where a person's family is domiciled is his or her domicile unless it is a place for temporary establishment for his or her family or for transient objects. Residence in a trailer or vehicle or at any public camp or camping ground may constitute a domicile for voting purposes if the registrant complies with the other requirements of this article. (Added by Stats. 1994)

Elections Code §2028. Place of family and business

If a person has a family fixed in one place, and he or she does business in another, the former is his or her place of domicile, but any person having a family, who has taken up an abode with the intention of remaining and whose family does not so reside with him or her, is a domiciliary where he or she has so taken up the abode. (Added by Stats. 1994)

Elections Code §2029. Domicile of spouse

The domicile of one spouse shall not be presumed to be that of the other, but shall be determined independently in accordance with this article. (Added by Stats. 1994)

Elections Code §2030. Marriage to a person employed in the service of the United States

A domiciliary of this state who marries a person employed temporarily in this state in the service of the United States government, may elect to retain his or her domicile for the purpose of qualifying as an elector only, except that his or her domicile in this state shall terminate if the domiciliary qualifies as an elector in any other state or any territory. (Added by Stats. 1994)

Elections Code §2031. Homeowner's property tax exemption; renter's tax credit; driver's license

If a person has more than one residence and that person maintains a homeowner's property tax exemption on the dwelling of one of the residences pursuant to Section 218 of the Revenue and Taxation Code, there shall be a rebuttable presumption that the residence subject to the homeowner's property tax exemption is that person's domicile. However, this presumption shall not apply in the event any other residence is listed as the person's current residence address on any driver's license, identification card or vehicle registration issued to that person by, and on file with, the Department of Motor Vehicles.

If a person has more than one residence and that person claims a renter's tax credit for one of the residences pursuant to Section 17053.5 of the Revenue and Taxation Code, there shall be a rebuttable presumption that the residence subject to the renter's tax credit is that person's domicile. However, this presumption shall not apply in the event any other residence is listed as the person's current residence address on any driver's license, identification card, or vehicle registration issued to that person by, and on file with, the Department of Motor Vehicles. This section shall not be applicable to state or federal elected officials. (Added by Stats. 1994)

Elections Code §2032. More than one residence

Except as provided in this article, if a person has more than one residence and that person has not physically resided at any one of the residences within the immediate preceding year, there shall be a rebuttable presumption that those residences in which he or she has not so resided within the immediate preceding year are merely residences as defined in subdivision (c) of Section 349 and not his or her domicile. (Added by Stats. 1994)

Elections Code §2033. Change of house number

Whenever the house number or the mailing address of a voter has been changed and the voter's domicile is the same, the public agency authorizing the change shall notify the county elections official in writing of the change and the county elections official shall make the change on the voter's affidavit of registration and a new affidavit shall not be required. (Added by Stats. 1994)

Elections Code §2034. Domicile in more than one precinct

A person domiciled in a house or apartment lying in more than one precinct shall be registered as domiciled in the precinct designated by the county elections official on the basis of the street address or other precinct the county elections official considers appropriate unless the person requests, either by letter or in person at the office of the county elections official, that he or she wishes to be domiciled for registration purposes in another precinct in which his or her house or apartment lies. In order to fulfill the requirements of this section, the letter of request shall include the name, signature, and residence address of the requester. (Added by Stats. 1994)

Elections Code §2035. Voter residence change 14 days prior to an election

A person duly registered as a voter in any precinct in California who removes therefrom within 14 days prior to an election shall, for the purpose of that election, be entitled to vote in the precinct from which the person so removed until the close of the polls on the date of that election. (Amended by Stats. 2000)

Court Cases

Voter Registration and Establishment of Domicile. Walters v. Weed (1988)

AKA "UCSC Student Voting Case." 45 Cal.3rd.1

In this California Supreme Court decision, the court held that voters who have moved, but have not established a new domicile, may vote in the precinct of their former domicile even though they have no intention of returning to live there.

Homeless Person's Right to Register to Vote.

Collier v. Menzel (1985). AKA "Fig Tree Case." 176 Cal. App.3d 24

In this Court of Appeal decision, the court held that a homeless person may register at a location deemed by the voter to be a dwelling place or place of habitation for that voter. A mailing address needs to be provided for the voter to receive election materials.

Incompatibility of Offices

The Political Reform Act does not prohibit any office holder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously ***if the offices have overlapping and conflicting public duties.***

The courts have defined this concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both.”

The State of California Attorney General’s Office has issued many opinions of particular compatibility questions. Here are seven examples of incompatible offices:

1. The offices of city councilman and school district board member where the city and the school district have territory in common;
2. fire chief of a county fire protection district and member of the board of supervisors of the same county;
3. high school district trustee and trustee of an elementary school district which is wholly within the geographic boundaries of the high school district;
4. water district director and a city council member;
5. county board of supervisors member and community college board member;
6. water district director and a school district trustee having territory in common;
7. deputy sheriff and county supervisor; and

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at 800-952-5225 or visit their website, www.oag.ca.gov. For further information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission’s website at www.fppc.ca.gov, or phone toll free 1-866-275-3772.

Elections Code §8003:

- (a) (1) A person shall not file nomination papers for more than one office at the same primary election.
(2) For purposes of paragraph (1), “office” does not include the position of member of a political party’s county central committee.
- (b) If a person has filed nomination papers for an office at a primary election and those nomination papers have not been withdrawn pursuant to Section 8020.5, the elections official shall reject as invalid any nomination papers that the person attempts to file for another office at the same primary election.

Returned Checks – If the filing fee is paid with a personal check that is returned without payment, the County Elections Department will notify the candidate by telephone. The candidate must make payment by money order or cashier's check by 5 p.m. on the next business day. Failure to do so will invalidate the individual's candidacy, and the candidate's name will not appear on the ballot.

Signatures In-Lieu of Filing Fee

The Petition Alternative –The law provides an alternative to paying the filing fee in money. Candidates may collect signatures of voters to cover the entire cost of the filing fee or some portion thereof. See the tables on the following pages for the number of signatures and the value of each. In addition, read the “Guidelines to Gathering Signatures,” in this manual prior to obtaining a signature.

If the petition is found to contain fewer valid signatures than the face number, the candidate must make up the deficiency before the close of the nomination period by paying the balance of the filing fees in money.

Elections Code § 8106

Obtaining the Petition Form – A 2-page master petition form will be available from the Elections Department beginning December 19, 2025. The form will be issued directly to the candidate or to someone bearing written authorization from the candidate. There is no charge for the master form; however, the candidate will be responsible for duplicating as many copies as he/she needs. The two pages should be duplicated front to back to prohibit the two pages from being separated.

Elections Code § 8106

The Elections Department will maintain a list of persons who have applied for Signatures-In-Lieu petitions. **This will be considered public information** in the event of inquiries from the media or others.

Guidelines for Gathering Signatures

Circulators (whether the candidate or another person) perform the important duty of obtaining signatures of properly registered voters for the In-Lieu Petition and/or Nomination Petition. If the signatures are not obtained properly and in accordance with the law, the candidate's right to be placed on the ballot could be questioned. All candidates should try to obtain the required number of signatures as soon as possible in order for their nomination papers to be returned to the Elections Department for examination and filing or certification to the Secretary of State, as the case may be.

Petition Circulator Information

A person shall not circulate a state or local initiative, referendum, or recall petition or nominating petition unless the person is 18 years of age or older. Elections Code §102

A candidate for any office may obtain signatures to and sign his/her own nomination petition or signatures in-lieu petition. His/her signature will be given the same effect as that of any other qualified signer. The candidate may circulate the petitions throughout the jurisdiction regardless of his/her county of residence. Elections Code § 106

Affidavit of Circulator - Elections Code §104: All petition circulators must complete, in his/her own hand:

- 1) The printed name of the circulator.
- 2) The residence address of the circulator, giving street and number, or if no street or number exists, adequate designation of residence so that the location may be readily ascertained.
- 3) The dates between which all the signatures to the petition or paper were obtained.

Each declaration submitted pursuant to this section shall also set forth the following:

- 1) That the circulator circulated that section and witnessed the appended signatures being written.
- 2) That according to the best information and belief of the circulator, each signature is the genuine signature of the person whose name it purports to be.
- 3) That the circulator is 18 years of age or older.

The circulator shall certify to the content of the declaration as to its truth and correctness, under penalty of perjury under the laws of the State of California, with the signature of his or her name. The circulator shall state the date and the place of execution on the declaration immediately preceding his or her signature.

Qualified Signers

Only a person who is an eligible registered voter at the time he/she signs the nomination petition or signatures in-lieu petition is entitled to sign it. Each voter shall, at the time of signing the petition or paper, to personally affix his or her signature, printed name and place of residence, giving street and number, and if no street or number exists, then a designation of the place of residence which will enable the location to be readily ascertained. Elections Code § 100

Nomination Petition: Signers shall be voters in the district or political subdivision in which the candidate is to be voted on. With respect to any candidacy for partisan office, signers shall be voters who disclosed a preference, pursuant to Section 2151, for the party, if any, in which the nomination is proposed. Signers need not be registered voters who disclosed a preference for any party when signing candidacy papers for a candidate seeking nomination to a voter-nominated office.

Elections Code § 8068

Signature-In-Lieu Petition: Any registered voter may sign an In-Lieu petition for any candidate for whom he or she is eligible to vote.

So, who is a voter eligible to vote for?

Top Two Candidates Open Primary Act and Voter-Nominated Offices

On June 8, 2010, California voters approved Proposition 14, which created the Top Two Candidates Open Primary Act.

Except for the office of U.S. President and county central committee offices, offices that used to be known as "partisan offices" (e.g., state constitutional offices, U.S. Congress, and state legislative offices) are now known as "voter-nominated" offices.

Under the Top Two Candidates Open Primary Act, all candidates running in a primary election, regardless of their party preference, will appear on a single Primary Election ballot and voters can vote for any candidate. The top two overall vote-getters – not the top vote-getter from each qualified party and anyone using the independent nomination process – will move on to the General Election.

Candidates for voter-nominated office can choose whether to list their party preference on the Primary and General Election ballots. Political parties can no longer formally nominate candidates for voter-nominated offices, so a candidate who finishes in the top two at the Primary Election and advances to the General Election is not the official nominee of any party for the office.

Candidates for President and Central Committee/County Council will continue to be voted on by voters affiliated with that political party. However, parties can notify the Secretary of State not later than the 135th day before the partisan primary election that it has adopted a rule that authorizes a person who has no party preference to vote the ballot for President of that political party at the primary election. In the past, the Democratic, American Independent, and Libertarian parties have adopted this rule. Elections Code § 13102.

Applying Signatures-In-Lieu Toward Nomination Signature Requirement

If a candidate submits a Signatures-In-Lieu petition, the county elections official shall also count those valid signatures appearing on the petition toward the number of voter signatures required for the candidate's Nomination Petition. Elections Code § 8061 (a)

Circulating Within 100 Feet of a Polling Place

Signatures to a Nomination Petition or any other petition shall not be obtained within 100 feet of any election booth or polling place. Elections Code § 18370

Voters May Sign Only One Petition; Exceptions

No signer shall, at the time of signing the petition, have his or her name signed to any other Nomination Petition for any other candidate for the same office. Or, in case there are several places to be filled in the same office, signed to more Nomination Petitions for candidates for that office than there are places to be filled.

Elections Code § 8069

Validation of Signatures

The following guidelines will be used when validating signatures on nomination petitions or signature-in-lieu of filing fee petitions.

A signature is **INVALID** if the signer:

- is not registered to vote;
- provides a signature on the petition that does not compare to the signature on the voter's affidavit of registration;
- does not reside in the appropriate district;
- for Nomination Papers for partisan offices, is not registered with the same political party as the candidate;
- uses a P.O. Box number for residence;
- uses a mail drop number for residence address;
- provides an address that is different from the voter's residence address on the affidavit of registration on record;
- prints his or her name for the signature, unless registered as such;
- lists her name as Mrs. John Jones;
- uses ditto marks for an address;
- authorizes Power of Attorney to sign on his or her behalf.

Name & Ballot Designation

Name on Ballot

The candidate states on the Declaration of Candidacy how his/her name should appear on the ballot. This should be recognizable as the name under which the candidate is registered, though the two need not be identical. Example: A candidate registered as Margaret Ann Smith may use such variations as Margaret A. Smith, Maggie Smith, Meg Smith, or Annie Smith. Nicknames may be designed by parentheses or quotation marks.

If a candidate changes their name within one year of any election, the new name shall not appear upon the ballot unless the change was made by either of the following: (a) Marriage; or (b) Decree of any court of competent jurisdiction. Elections Code § 13104

The ballot layout system used in Santa Cruz County accommodates up to a total of 39 characters (letters, spaces, punctuation) to fit in the space provided for a candidate's name and ballot designation. Therefore, candidates are encouraged to comply with that length. If the name or ballot designation selected by the candidate does not fit within the space provided, it will be abbreviated, or the font size will be reduced to fit.

Ballot Designation - Legislative Requirements - Elections Code §13107

The ballot designation is the word or group of words that will appear on the ballot under the candidate's name, designating the principal profession, vocation, or occupation of the candidate.

All candidates who want a ballot designation printed under their name must complete a Ballot Designation Worksheet justifying the selected designation and providing alternatives.

All candidates, except for judges, the following options are available:

- 1) **Elective Office:** Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which the candidate was elected by vote of the people.
- 2) **Incumbent:** The word "incumbent" if the candidate is a candidate for the same office which the candidate holds at the time of filing the nomination papers and was elected to that office by a vote of the people. A candidate shall not use the word "incumbent" if the candidate was elected to their office in an at-large election and is a candidate in a district-based election.
- 3) **3-word Profession/Occupation/Vocation:** No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.
- 4) **Appointed Incumbent:** The phrase "appointed incumbent" may be used if:
 - a) the candidate holds an office by virtue of appointment, and the candidate is a candidate for the election to the same office, or,
 - b) if the candidate is a candidate for election to the same office or to some other office, the word "appointed" and the title of the office.

In either instance, the candidate may not use the unmodified word "incumbent" or any words designating the office unmodified by the word "appointed." However, the phrase "appointed incumbent" shall not be required of a candidate who seeks reelection to an office which the candidate holds and to which the candidate was appointed, as a nominated candidate, in lieu of an election.

Candidates for judicial office may choose from the following options:

- 1) **Office title:** Words designating the city, county, district, state, or federal office held by the candidate at the time of filing the nomination documents.
- 2) **Incumbent:** The word “incumbent” if the candidate is a candidate for the same office that the candidate holds at the time of filing the nomination papers.
- 3) **3-word Profession/Occupation/Vocation:** No more than three words designating either the current principal professions, vocations, or occupations of the candidate, or the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents.
- 4) **Job title:** For a candidate for judicial office who is an active member of the State Bar employed by a city, county, district, state, or by the United States, the designation shall appear as one of the following:
 - a) Words designating the actual job title, as defined by statute, charter, or other governing instrument.
 - b) One of the following ballot designations: “Attorney,” “Attorney at Law,” “Lawyer,” or “Counselor at Law.” The designations “Attorney” and “Lawyer” may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

For options 1 and 4 above, the candidate shall also contain relevant qualifiers, as follows:

- a) If the candidate is an official or employee of a city, the name of the city shall appear preceded by the words “City of.”
- b) If the candidate is an official or employee of a county, the name of the county shall appear preceded by the words “County of.”
- c) If the candidate is an official or employee of a city and county, the name of the city and county shall appear preceded by the words “City and County.”
- d) If the candidate performs quasi-judicial functions for a governmental agency, the full name of the agency shall be included.

A candidate for superior court judge who is an active member of the State Bar and practices law as one of their principal professions shall use one of the following ballot designations as their ballot designation: “Attorney,” “Attorney at Law,” “Lawyer,” or “Counselor at Law.” The designations “Attorney” and “Lawyer” may be used in combination with one other current principal profession, vocation, or occupation of the candidate, or the principal profession, vocation, or occupation of the candidate during the calendar year immediately preceding the filing of nomination documents.

For ballot designations, all California geographical names shall be one word. Hyphenated words that appear in any generally available standard reference dictionary, published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted, shall be considered as one word. Each part of all other hyphenated words shall be counted as a separate word.

Community Volunteer: A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:

- 1) A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.
- 2) A candidate is not engaged concurrently in another principal profession, vocation, or occupation.

- 3) A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.

The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section. Elections Code §13107.5

Titles or Degrees Prohibited

No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office. Elections Code §13106

Unacceptable Designations

Pursuant to Elections Code §13107(e), the Secretary of State and any other election official shall not accept a designation of which any of the following would be true:

- 1) It would mislead the voter.
- 2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- 3) It abbreviates the word "retired" or places it following any word or words which it modifies.
- 4) It uses a word or prefix, such as "former" or "ex", which means a prior status. The only exception is the use of the word "retired".
- 5) It uses the name of any political party, whether it has qualified for the ballot.
- 6) It uses a word or words referring to a racial, religious, or ethnic group.
- 7) It refers to any activity that is prohibited by law.

Rejected Ballot Designations

If, upon checking the nomination documents and the ballot designation worksheet described in Elections Code §13107.3, the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's ballot designation worksheet.

The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date the candidate receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with §13107 (a) or §13107 (b).

If a candidate fails to provide a designation that complies with subdivision (a) or (b) within the three-day period specified in paragraph (1), no designation shall appear after the candidate's name.

Elections Code §13107.3(c)

Ballot Designation May Not be Changed After Filing

A ballot designation given by a candidate shall not be changed by the candidate after the final date for filing nomination papers, except as specifically requested by the election official.

Elections Code 13107(g)

Ballot Designation in Both Primary and General Elections

The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request. Elections Code §13107(h)

Format of Name and Ballot Designation

The ballot system used in Santa Cruz County has the following space limits (letters, spaces, punctuation) for names and ballot designations:

- Names = 39 characters
- Ballot Designations = 39 characters

Candidates are encouraged to comply with the ballot spacing limits. On the paper ballot, names are printed in 9-point uppercase bold and ballot designations are printed in 9 point uppercase and lowercase regular font. Touchscreen ballots are displayed in a larger font and the system allows voters to increase the font size if needed.

If the designation selected is so long that it would conflict with the space requirements of Elections Code §13207 and 13211, the election official shall use a type size for the designation for each candidate for office sufficiently smaller to meet these requirements.

If a foreign language translation of a candidate's designation is required under the federal Voting Rights Act of 1965 (52 U.S.C. Sec. 10101 et seq.), as amended, to appear on the ballot in addition to the English version, it shall be as short as possible, as consistent as is practicable with Section 13107, and shall employ abbreviations and initials wherever possible in order to avoid undue length.

Elections Code §13107(j)

No Ballot Designation

A candidate who does not want a ballot designation should indicate this in the space provided for ballot designation on the Declaration of Candidacy, or the space may be left blank. If no designation is given, it will be assumed that none is desired.

Ballot Designation Worksheet

A ballot designation worksheet must be completed at the time of filing. Elections Code § 13107.3 states:

- (a) A candidate who submits a ballot designation pursuant to subdivision (a) of Section 13107 shall file a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.
- (b) The ballot designation worksheet shall be filed with the elections official at the same time that the candidate files his or her declaration of candidacy.
- (c) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate's name on the ballot.

(Amended by Stats. 2009, Ch. 547, Sec. 3. Effective January 1, 2010.)

Secretary of State - Ballot Designation Regulations

The following are [regulations](#) proposed by the Secretary of State and approved by the Office of Administrative Law that went into effect in December 2009. The regulations apply only to state and federal candidates. To be consistent with the state regulations, however, the Santa Cruz County Elections Department will apply these same regulations to candidates running for county, special district and school district offices.

(e) The regulations set forth in this Chapter shall apply only to elections held for offices for which elections returns are certified by the Secretary of State of the State of California.

§ 20714. Proposed Ballot Designations Submitted Pursuant to Elections Code § 13107, Subdivision (a)(3)

Proposed ballot designations submitted pursuant to Elections Code § 13107, subdivision (a)(3), shall be subject to the following provisions:

(a) The terms "profession," "vocation," or "occupation," as those terms are used in Elections Code § 13107, subdivision (a)(3), are defined as follows:

(1) "Profession" means a field of employment requiring special education or skill and requiring knowledge of a particular discipline. The labor and skill involved in a profession is predominantly mental or intellectual, rather than physical or manual. Recognized professions generally include, but are not limited to, law, medicine, education, engineering, accountancy, and journalism. Examples of an acceptable designation of a "profession," as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, "attorney," "physician," "accountant," "architect," and "teacher."

(2) "Vocation" means a trade, a religious calling, or the work upon which a person, in most but not all

cases, relies for his or her livelihood and spends a major portion of his or her time. As defined, vocations may include, but are not limited to, religious ministry, child rearing, homemaking, elderly and dependent care, and engaging in trades such as carpentry, cabinetmaking, plumbing, and the like. Examples of an acceptable designation of a "vocation," as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, "minister," "priest," "mother," "father," "homemaker," "dependent care provider," "carpenter," "plumber," "electrician," and "cabinetmaker."

(3) "Occupation" means the employment in which one regularly engages or follows as the means of making a livelihood. Examples of an acceptable designation of an "occupation," as defined in Elections Code § 13107, subdivision (a)(3), include, but are not limited to, "rancher," "restaurateur," "retail salesperson," "manual laborer," "construction worker," "computer manufacturing executive," "military pilot," "secretary," and "police officer."

(b) "Principal," as that term is used in Elections Code § 13107, subdivision (a)(3), means a substantial involvement of time and effort such that the activity is one of the primary, main or leading professional, vocational or occupational endeavors of the candidate. The term "principal" precludes any activity which does not entail a significant involvement on the part of the candidate. Involvement which is only nominal, pro forma, or titular in character does not meet the requirements of the statute.

(1) If a candidate is licensed by the State of California to engage in a profession, vocation or occupation, the candidate is entitled to consider it one of his or her "principal" professions, vocations or occupations if (i) the candidate has maintained his or her license current as of the date he or she filed his or nomination documents by complying with all applicable requirements of the respective licensure, including the payment of all applicable license fees and (ii) the status of the candidate's license is active at the time he or she filed his or her nomination documents.

(2) A candidate who holds a professional, vocational or occupational license issued by the State of California may not claim such profession, vocation or occupation as one of his or her "principal" professions, vocations or occupations if (i) the candidate's licensure status is "inactive" at the time the candidate files his or her nomination document, or (ii) the candidate's license has been suspended or revoked by the agency issuing the license at the time the candidate files his or her nomination documents.

(c) In order for a ballot designation submitted pursuant to Elections Code § 13107, subdivision (a)(3), to be deemed acceptable by the Secretary of State, it must accurately state the candidate's principal professions, vocations or occupations, as those terms are defined in subdivisions (a) and (b) herein. Each proposed principal profession, vocation or occupation submitted by the candidate must be factually accurate, descriptive of the candidate's principal profession, vocation or occupation, must be neither confusing nor misleading, and must be in full and complete compliance with Elections Code § 13107 and the regulations in this Chapter.

(d) If the candidate is engaged in a profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate's proposed ballot designation is entitled to consist of the candidate's current principal professions, vocations and occupations. In the event the candidate does not have a current principal profession, vocation or occupation at the time he or she files his or her nomination documents, the candidate may use a ballot designation consisting of his or her principal professions, vocations or occupations, which the candidate was principally engaged in during the calendar year immediately preceding the filing of the candidate's nomination papers.

(e) A candidate may engage in multiple principal professions, vocations or occupations. Accordingly, the candidate may designate multiple principal professions, vocations or occupations. If a candidate proposes a ballot designation including multiple principal professions, vocations or occupations, the proposed ballot

designation must comply with the following provisions:

(1) The proposed ballot designation must comply with the three-word limitation specified in Elections Code § 13107, subdivision (a)(3), and as implemented pursuant to subdivision (f) herein.

(2) Each such proposed profession, vocation or occupation shall be separately considered by the Secretary of State and must independently qualify as a "principal" profession, vocation or occupation, as that term is defined pursuant to subdivision (b) herein.

(3) When multiple professions, vocations or occupations are proposed as a ballot designation, they shall be separated by a slash ("/"). An example of an acceptable designation would be "Legislator/Rancher/Physician."

(f) Pursuant to Elections Code § 13107, subdivision (a)(3), the candidate's ballot designation shall be limited to not more than three (3) words. The following rules shall govern the application of the three-word limitation:

(1) The proposed ballot designation shall be grammatically correct, generic, and all words must be spelled correctly.

(2) Punctuation shall be limited to the use of a comma (e.g., District Attorney, Los Angeles County) and a slash (e.g., Legislator/Rancher/Physician), pursuant to subdivision (e) of this section. A hyphen may be used if, and only if, the use of a hyphen is called for in the spelling of a word as it appears in a standard reference dictionary of the English language, which was published in the United States at any time within the 10 calendar years immediately preceding the election for which the words are counted.

(3) All California geographical names shall be considered to be one word and shall be limited to the names of cities, counties and states. The names of special districts and political subdivisions are not "geographical names," as that term is used in Elections Code § 13107, subdivision (a)(3). If the candidate desires, the geographical name may be used in the form of "City of . . .," "County of . . .," or "City and County of . . ." Examples of geographical names considered to be one word include Tehama County, Los Angeles County and County of Sacramento. Examples of designations containing a special district or political subdivision that are not geographical names include "Butte County Rural Fire District Captain," "Huntington Beach Unified School District President," and "South Bay Irrigation District Director."

(4) An acronym shall be counted as one word.

(g) A candidate who chooses to include the name of his or her elective office with another profession, vocation, or occupation may do so pursuant to Elections Code section 13107(a)(3), but that ballot designation shall be limited to no more than three words. Examples of acceptable designations under this section include "State Senator/Rancher," "California Assemblywoman/Attorney," "County Supervisor/Teacher," and "State Controller/Businessman." Examples of unacceptable designations under this section include "Assemblyman, 57th District/Educator," "California State Senator/Architect," "Placer County Supervisor/Business Owner," and "Member, Board of Equalization/Banker."

- (1) A charitable, educational, or religious organization as defined by the United States Internal Revenue Code section 501(c)(3);
- (2) A governmental agency; or
- (3) An educational institution.

(b) The activity or service must constitute substantial involvement of the candidate’s time and effort such that the activity or service is the sole, primary, main or leading professional, vocational or occupational endeavor of the candidate within the meaning of subdivisions (a) and (b) of section 20714 of this Chapter.

§ 20715. Proposed Ballot Designations Submitted Pursuant to Elections Code s 13107, Subdivision (a)(4).

(a) Pursuant to Elections Code s 13107, subdivision (a)(4), a candidate may propose a ballot designation consisting of the phrase “appointed incumbent” if the candidate holds an office, other than a judicial office, by virtue of appointment, and the candidate is a candidate for election to the same office. The candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.”

(b) Pursuant to Elections Code s 13107, subdivision (a)(4), a candidate may propose a ballot designation consisting of the word “appointed” in conjunction with the elective office, if the candidate is a candidate for election to the same office or to some other office. The candidate may not use any words designating the office unmodified by the word “appointed.”

(c) There shall be no word count limitation applicable to ballot designations submitted pursuant to Elections Code s 13107, subdivision (a)(4).

§ 20716. Unacceptable Ballot Designations

(a) The Secretary of State shall reject as unacceptable any proposed ballot designation which fails to comply with Elections Code §13107, subdivision (a); is prohibited pursuant to Elections Code § 13107, subdivision (b); is misleading; or is otherwise improper pursuant to the regulations set forth in this Chapter.

(b) The following types of activities are distinguished from professions, vocations and occupations and are not acceptable as ballot designations pursuant to Elections Code § 13107, subdivision (a)(3):

(1) Avocations: An avocation is a casual or occasional activity, diversion or hobby pursued principally for enjoyment and in addition to the candidate's principal profession, vocation or occupation. Avocations may include, but are not limited to, hobbies, social activities, volunteer work (except as set forth in Section 20714.5 of this Chapter), and matters pursued as an amateur.

(2) Pro Forma Professions, Vocations and Occupations: Pro forma professions, vocations or occupations are positions held by the candidate which consume little or none of the candidate's time and which, by their nature, are voluntary or for which the candidate is not compensated, except as set forth in Section 20714.5 of this Chapter. Pro forma professions, vocations and occupations may include, but are not limited to, such pursuits as honorary peace officer, honorary chairperson, honorary professor, goodwill ambassador, official

host or hostess and the like.

(3) Statuses: A status is a state, condition, social position or legal relation of the candidate to another person, persons or the community as a whole. A status is generic in nature and generally fails to identify with any particular specificity the manner by which the candidate earns his or her livelihood or spends the substantial majority of his or her time. Examples of a status include, but are not limited to, veteran, proponent, reformer, scholar, founder, philosopher, philanthropist, activist, patriot, taxpayer, concerned citizen, husband, wife, and the like.

(c) Pursuant to Elections Code § 13107, subdivision (b)(1), the Secretary of State shall reject as unacceptable any proposed ballot designation which would mislead voters. In making this determination, the Secretary of State shall determine whether there is a substantial likelihood that a reasonably prudent voter would be misled as to the candidate's principal profession, vocation or occupation by the candidate's proposed ballot designation. The determination shall take into account the plain meaning of the words constituting the proposed ballot designation and the factual accuracy of the proposed ballot designation based upon supporting documents or other evidence submitted by the candidate in support of the proposed ballot designation, pursuant to §§ 20711 and 20717 of this Chapter.

(d) A ballot designation may not comprise or include commercial identification information, such as a trademark, service mark, trade name, or the specific name of a business, partnership, corporation, company, foundation, or organization. Examples of an improper use of commercial identification information include, but are not limited to, "Acme Company President," "Universal Widget Inventor," "Director, Smith Foundation," "UCLA Professor," and the like.

(e) Pursuant to Elections Code § 13107, subdivision (b)(2), the Secretary of State shall reject as unacceptable any proposed ballot designation which would suggest an evaluation of the candidate's qualifications, honesty, integrity, leadership abilities or character. Any laudatory or derogatory adjectives which would suggest an evaluation of the candidate's qualifications shall not be permitted. Such impermissible adjectives include, but are not limited to, "senior," "emeritus," "specialist," "magnate," "outstanding," "leading," "expert," "virtuous," "eminent," "best," "exalted," "prominent," "famous," "respected," "honored," "honest," "dishonest," "corrupt," "lazy," and the like.

(f) Pursuant to Elections Code § 13107, subdivision (b)(3), the Secretary of State shall reject as unacceptable any proposed ballot designation which abbreviates the word "retired" or places it following any word or words which it modifies. Examples of impermissible designations include "Ret. Army General," "Major USAF, Retired" and "City Attorney, Retired."

(g) Pursuant to Elections Code § 13107, subdivision (b)(4), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or prefix to indicate a prior profession, vocation, occupation or elected, appointed or judicial office previously held by the candidate. Such impermissible words or prefixes include, but are not limited to, "Ex-," "former," "past," and "erstwhile." Examples of impermissible designations include "Former Congressman," "Ex-Senator," and "Former Educator."

(h)(1) Subject to the provisions of Elections Code § 13107, subdivision (b)(4), use of the word "retired" in a ballot designation is generally limited for use by individuals who have permanently given up their chosen principal profession, vocation or occupation.

(2) In evaluating a proposed ballot designation including the word "retired," the Secretary of State will consider the following factors in making a determination as to the propriety of the use of the term "retired":

(A) Prior to retiring from his or her principal profession, vocation or occupation, the candidate worked in such profession, vocation or occupation for more than 5 years;

(B) The candidate is collecting, or eligible to collect, retirement benefits or other type of vested pension;

- (C) The candidate has reached at least the age of 55 years;
- (D) The candidate voluntarily left his or her last professional, vocational or occupational position; and,
- (E) The candidate's retirement benefits are providing him or her with a principal source of income.

(3) If a candidate is requesting a ballot designation that he or she is a retired public official, the candidate must have previously voluntarily retired from public office, not have been involuntarily removed from office, not have been recalled by voters, and not have surrendered the office to seek another office or failed to win reelection to the office. If such a candidate did not voluntarily retire from public office, he or she may not use the word "retired" in his or her ballot designation.

(4) A candidate may not use the word "retired" in his or her ballot designation if that candidate possesses another more recent, intervening principal profession, vocation, or occupation.

(i) Pursuant to Elections Code § 13107, subdivision (b)(5), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses the name of any political party, whether or not it has qualified for recognized ballot status.

(j) Pursuant to Elections Code § 13107, subdivision (b)(6), the Secretary of State shall reject as unacceptable any proposed ballot designation which uses a word or words referring to a racial, religious, or ethnic group.

(1) The Secretary of State shall reject as unacceptable any ballot designation which expressly contains or implies any ethnic or racial slurs or ethnically or racially derogatory language.

(2) If the candidate is a member of the clergy, the candidate may not make reference to his or her specific denomination. However, the candidate may use his or her clerical title as a ballot designation (e.g., "Rabbi," "Pastor," "Minister," "Priest," "Bishop," "Deacon," "Monk," "Nun," "Imam," etc.)

(k) Pursuant to Elections Code § 13107, subdivision (b)(7), the Secretary of State shall reject as unacceptable any proposed ballot designation which refers to any activity prohibited by law. Unlawful activity includes any activities, conduct, professions, vocations, or occupations prohibited by state or federal law.

(a) Time is of the essence regarding all matters pertaining to the review of proposed ballot designations submitted by candidates for public office. Failure to promptly submit requested supporting materials will preclude consideration of such materials in and the rendering of a final decision on the candidate's proposed ballot designation.

(b) The Secretary of State will communicate, whenever possible, with the candidate in the most expeditious manner, including, but not limited to, telephone, facsimile transmission and electronic mail at the number or address provided by the candidate. When the candidate does not have reasonable access to a facsimile machine or electronic mail, the Secretary of State will transmit written communication to the candidate by means of overnight express delivery to the address provided by the candidate.

(c) The candidate shall have the burden of establishing that the proposed ballot designation that he or she has submitted is accurate and complies with all provisions of Elections Code §13107 and this Chapter.

The Chief Counsel may designate a Deputy Secretary of State to accept service of process on behalf of the Secretary of State.

(b) Telephone notice pertaining to any ex parte applications filed with the court by any candidate or other interested party should be directed to the attention of the Chief Counsel to the Secretary of State at (916) 653-7244. Voter Registration

Online Voter Registration

Voters can register to vote online at www.registertovote.ca.gov The website is accessible and available in nine languages plus English.

The deadline to register or re-register to vote for any election is 11:59:59 p.m. Pacific Time on the 15th calendar day before that election. If voters submit an application after this time, they will need to follow procedures for voting after the deadline (see Conditional Voter Registration).

To register to vote online, voters will need:

- Their California driver license or California identification card number,
- The last four digits of their social security number and
- Their date of birth.

The voter's information will be provided to the California Department of Motor Vehicles (DMV) to retrieve a copy of their DMV signature.

If they do not have a California driver license or California identification card, voters can still use the online form to apply to register to vote by completing the online interview by 11:59:59 p.m. Pacific Time on the 15th calendar day before an election.

Conditional Voter Registration

Voters who missed the voter registration deadline can still register and vote - up to and including Election Day at the Santa Cruz County Elections Office, Watsonville City Clerk's Office, and other locations designated by the County Clerk. Check votescount.santacruzcountyca.gov for a list of the locations in Santa Cruz County.

It's a simple, two-step process:

1. Voters will fill out a paper or online voter registration form.
2. Voters then vote, seal their ballot in a special envelope, and sign the envelope.

Ballots will be counted after the elections official verifies the voter's registration and confirms that they have not already voted in the election.

Voter Registration Drives

Candidates and/or committees wishing to distribute voter registration cards may obtain cards in English/Spanish from the Elections Department during regular office hours.

For any quantity of 50 or more, the individual requesting the cards must fill out an application for distribution and obtain a "Guide to Registering Voters" from elections staff in the Elections Department. For quantities of 2,000 or more, the application for distribution form is transmitted to the Secretary of State's Office. (California Administrative Code § 20001(g))

Citizens or organizations which distribute voter registration cards shall give a voter registration card to any person requesting it.

Completed cards must be returned to the Elections Department within 3 business days or by the close of registration. Failure to do so is a misdemeanor.

Registering to vote at E-29 versus E-15

The law allows voters to register up until the 15th day before the election – **May 18, 2026**. Voters who submit their voter registration cards by the 29th day before the election, **May 4, 2026**, (postmark **not acceptable**) will be added to the rolls, and the voters will receive the County Voter Information Guide.

Voters who submit cards after this date will **NOT** receive a County Voter Information Guide, only a notice advising the late registrant that they will not receive the County Guide. The notice will also inform the voter of where he or she is assigned to vote on Election Day. (Elections Code §§ 2102, 13303)

Provisional Voting

Provisional ballots are issued to voters whose voting eligibility cannot be established quickly and easily at the time the voter has shown up to vote.

Please be advised that poll workers in Santa Cruz County are directed to **“ALWAYS LET THE VOTER VOTE.”** If eligibility cannot be determined, the voter must vote provisionally.

Provisional voters must vote their ballot in person at the Elections Department, satellite office, or polling place. Provisional ballots cannot be mailed. As time allows, election officials will hand deliver provisional ballots to homebound voters.

Examples of situations where a voter will vote provisionally:

1. Voter applied for a vote-by-mail ballot and now, for whatever reason, wants to vote in person and does not have his/her ballot to surrender.
2. Voter cannot be found in the voter file but claims to have properly registered to vote. Any proof the voter may have, such as registration receipt, will be attached to the provisional ballot.
3. Voter moved and did not re-register to vote.
4. Voter is required to show photo identification because the voter registered to vote by mail and did not provide a driver's license or last 4 digits of his/her social security number so elections officials could validate the voter through the statewide system. If the voter has identification, he/she will vote on a regular ballot. If the voter does not have photo identification, the voter is required to vote provisionally.
5. Any other reason where the voter's eligibility cannot be determined instantly.

Provisional ballots are distinguished from regular ballots because they are placed in a pink envelope for election officials to research and resolve during the official canvass. The federal Help America Vote Act (HAVA) of 2002 requires elections officials to give voters who vote provisionally a receipt that advises the voter that:

1. The voter has the Right to Cast a Provisional Ballot
2. The voter has the right to find out whether your provisional ballot was counted, and, if not, why not.

In Santa Cruz County, voters may do one of the following after Election Day to find out the status of their provisional vote.

1. Call Toll-Free: 1-866-282-5900
2. Call the regular office line: 831-454-2060
3. Call TDD: 831-454-2123
4. Or send an e-mail to: pink@votescount.santacruzcountyca.gov

Typically, provisional ballots are processed between 14 - 28 days following the election. Elections Code Section 14310(c) says provisional ballots are counted during the official canvass only if: (I) the elections official establishes the voter's right to vote the ballot. (II) the provisional ballot has been cast and included in the canvass pursuant to Article 4.5 (commencing with section 2170) of Chapter 2 of Division 2. (III) a superior court orders the ballot to be counted. A voter may seek a court order to require his or her ballot to be counted but must do so before the official canvass period ends. Judicial action involving provisional ballots has priority over other civil matters.

“Same Day” Registration vs Provisional Voting

During the 14 days up to and including Election Day, voters may go to the Elections Office or satellite office to register and vote. Voters can call the Santa Cruz Elections Office at 831-454-2060 or check our website at www.votescount.santacruzcountyca.gov for a list of locations.

If voters are registered to vote, and have moved within the county, they can go to their polling place and vote a provisional ballot.

All provisional ballots voted shall remain sealed in their envelopes for return to the elections official in accordance with the elections official's instructions. Using the procedures that apply to the comparison of signatures on vote by mail ballots pursuant to Section 3019, the elections official shall compare the signature on each provisional ballot envelope with the signature on the voter's affidavit of registration or other signature in the voter's registration record. Any judicial action or appeal shall have priority over all other civil matters. A fee shall not be charged to the claimant by the clerk of the court for services rendered in an action under this section.

(3) The provisional ballot of a voter who is otherwise entitled to vote shall not be rejected because the voter did not cast his or her ballot in the precinct to which he or she was assigned by the elections official.

(A) If the ballot cast by the voter contains the same candidates and measures on which the voter would have been entitled to vote in his or her assigned precinct, the elections official shall count the votes for the entire ballot.

(B) If the ballot cast by the voter contains candidates or measures on which the voter would not have been entitled to vote in his or her assigned precinct, the elections official shall count only the votes for the candidates and measures on which the voter was entitled to vote in his or her assigned precinct.

(d) The Secretary of State shall establish a free access system that any voter who casts a provisional ballot may access to discover whether the voter's provisional ballot was counted and, if not, the reason why it was not counted.

Political Signs

Outdoor Political Advertising – State Law

Section 5405.3 of the State Outdoor Advertising Act (Business & Professions Code) authorizes the placing of "temporary political signs" separate and apart from the normal outdoor advertising controls. No political sign may be placed within the right-of-way of any highway or within 660 feet of the edge of and visible from the right-of-way of a landscaped freeway.

Temporary political signs are those that meet the following criteria:

- Encourages a particular vote in a scheduled election;
- Is placed not sooner than 90 days prior to the scheduled election and is removed within 10 days after the election;
- Is no larger than 32 square feet;

- Has had a "Statement of Responsibility" filed with the State Department of Transportation, Division of Traffic Operations, Outdoor Advertising Program, P.O. Box 942874, MS-36, Sacramento, CA 94274-0001, certifying a person who will be responsible for removing the signs. Forms are available at the Santa Cruz County Elections Department. Call (916) 654-4790 for more information.

The law directs the Department of Transportation to remove signs that do not comply with the regulations before an election and to bill the responsible party for removal costs after the election.

Penal Code Sections 556, 556.1 and 556.3 provide that it is a misdemeanor for any person to place a sign to advertise on public or private property (without consent); and that it shall be considered a public nuisance.

Pursuant to a County Counsel opinion dated April 18, 1994, utility poles are the property of the private utility company and the posting of political signs on them may be prosecuted as a misdemeanor. Furthermore, the Public Utility Commission may impose a fine for such unauthorized posting.

Outdoor Political Advertising -- Santa Cruz County Code

Santa Cruz County Code, Section 13.10.583 states that temporary or political signs shall not be placed so as to constitute a traffic hazard. On January 12, 1993, the Board of Supervisors approved the following Public Works criteria for removal of signs as they might affect roadside safety:

Signs may be removed by authorized Public Works staff if they:

1. Block the sight distance on county roads at intersections of county roads, private roads or driveways.
2. Restrict the use of the highway or otherwise clearly cause problems for the traveling public.
3. Obscure fire hydrants, traffic signs, traffic signals or other traffic control devices.
4. Are attached to or distract the attention of drivers from any traffic control device.
5. Interfere with normal maintenance efforts.
6. Are identified as other traffic hazards by the Director of Public Works consistent with the content of this policy.

Action to remove signs under categories 1 through 4 above, generally requires immediate attention. For those matters covered under categories 5 and 6, Public Works staff will make reasonable effort to contact the responsible party, to relocate or remove the signs within 24 hours.

Pursuant to Section 1480.5 of the Streets and Highways Code, the Director of Public Works may immediately remove an encroachment that constitutes a traffic hazard or an encroachment that is an advertising sign or device of any description. In keeping with the provisions of Section 1480.5(d) any such sign removed by the Public Works Department that is of more than nominal value shall be held at a County maintenance yard for a reasonable period of time to allow the owner of the sign to retrieve it. The return of the sign may be conditioned upon payment of an amount sufficient to reimburse the Public Works Department for the expense of removal.

Outdoor Political Advertising - City Ordinances

Each city in Santa Cruz County has rules and regulations regarding outdoor political advertising. Contact the city clerk in Santa Cruz (420-5030), Capitola (475-7300), Scotts Valley (440-5602) or Watsonville (768-3040) for more information.

Removal of Political Signs

If the political signs are not removed within 10 days after the election, an enforcement action could be pursued in accordance with the enforcement provisions of Chapter 13.10 of the Santa Cruz County Code (County Counsel opinion dated April 18, 1994).

California State Contribution Limits

(Effective January 1, 2025—December 31, 2026)

The contribution limits are effective for elections held between January 1, 2025 and December 31, 2026. (Regulation 18545.) These limits do not apply to contributions made to elections in previous years. Such contributions are subject to the limits in place for that year; see previous charts.

Legal Defense Funds

Contributions raised for a legal defense fund are not subject to contribution limits or the voluntary expenditure ceiling. However, a candidate or officeholder may raise, in total, no more than is reasonably necessary to cover attorney's fees and other legal costs related to the proceeding for which the fund is created. (Section 85304; Regulation 18530.4.)

Recall Elections

A state officeholder and city or county officeholder subject to Section 85301 (d) who is the subject of a recall may set up a separate committee to oppose the qualification of the recall measure and, if the recall petition qualifies, the recall election. Neither contribution limits nor voluntary expenditure ceilings apply to the committee to oppose the recall that is controlled by the officeholder who is the target of the recall attempt. Candidates running to replace an officeholder who is the target of a recall are subject to the contribution limits and the expenditure limits applicable to the election for that office. (Section 85315; Regulation 18531.5.)

This limit applies on a per election basis and includes, in the aggregate, contributions made from the candidate's personal funds and from campaign funds. (Section 85305; Regulation 18535.) This limit does not apply to a committee controlled by a state candidate or a committee controlled by a candidate for elective city or county office subject to Section 85301 (d) to oppose their recall or their contributions made to a legal defense fund established by a candidate for elective state office or candidate for elective city or county office subject to Section 85301(d). Any committee that makes a payment or a promise of payment totaling \$50,000 or more for a communication that: 1. Clearly identifies a state candidate; but 2. Does not expressly advocate the election or defeat of the candidate; and 3. Is disseminated, broadcast, or otherwise published within 45 days of an election, may not receive a contribution from any single source of more than \$49,000 in a

calendar year if the communication is made at the behest of the candidate featured in the communication. (Section 85310.)

Officeholder Committees

(Section 82015(f).)

Local Elections

Many cities and counties have local contribution limits and other election rules. The FPPC posts local campaign ordinances that are provided to the FPPC on its website. Always check with your city or county about contribution limits for local elections and for the most up-to-date information. Voluntary Expenditure Ceilings

Printed from the Fair Political Practices Commission's website at www.fppc.ca.gov

State candidates may voluntarily accept expenditure limits for elections. They must declare on the Candidate Intention Statement (Form 501) whether they accept the voluntary expenditure ceiling established for each election. Candidates who accept the ceiling are designated in either the state ballot pamphlet (statewide candidates) or the voter information portion of the sample ballot (Senate and Assembly candidates) and may purchase space in the sample ballot to place a 250-word statement. The voluntary expenditure ceilings are effective for elections held between January 1, 2025 and December 31, 2026. (Regulation 18545.)

Campaign Disclosures for Federal Candidates

Provisions of the Political Reform Act do not apply to elections for federal offices, including U.S. Senate and U.S. Representative in Congress. Candidates for federal offices and committees that participate in federal campaigns are subject to federal disclosure requirements. Assistance for federal candidates and committees may be obtained from the:

Federal Election Commission
999 E Street, N.W.
Washington, D.C. 20463
800-424-9530

Filing is the Responsibility of the Candidate and/or Committee

It is the responsibility of candidates and/or committees to be aware of and to file the required campaign disclosure statements in a correct and timely manner.

Late Filings

There are no provisions for granting “extensions” of the filing deadlines.

If a candidate, officeholder, or committee is required to file a statement and has failed to do so by the deadline, the Santa Cruz County Elections Department staff will:

1. Provide written notice that statement must be filed within 10 days (5 days for 2nd Pre-Election Statement) noting that a fine of \$10 per day beginning the day after the filing deadline until the date the statement is filed will be assessed unless waived by the Elections Official. The **maximum** penalty is \$100 or the total amount of contributions received or the total amount of expenditures made (whichever is greater) during the period covered by the late statement.

Fines may not be waived if statement is not filed within 10 days after specific notice is sent by the elections official (or 5 days for 2nd Pre-Election Statements).

Failure to file a statement after appropriate notice will be referred to an enforcement official and can result in substantial criminal, civil and administrative penalties.

Multiple Committee Filing Requirements

Whenever a candidate or officeholder has more than one committee, whether the committees are formed for the same office, or a different office in the same jurisdiction, all committees must file statements each time a committee statement is due.

Whenever an elected officeholder in one jurisdiction runs for an elected office in another jurisdiction, the officeholder and all committees he/she controls must file campaign disclosure statements with the filing officer in the jurisdiction in which the officeholder holds office **AND** in which the officeholder is seeking office.

Local Campaign Financial Reporting

Netfile

The Filer Access Portal is a free, web-based, data entry filing system that allows candidates and campaign committees to file disclosure reports mandated by Santa Cruz County and California's Political Reform Act.

A **county committee** is defined as:

A committee that makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single county, or in more than one jurisdiction within one county. This includes contributions to other general purpose committees in the same county.

A **city committee** is defined as:

A committee that makes more than 70% of its contributions or expenditures to support or oppose candidates or measures voted on in a single city, or in one consolidated city and county. This includes contributions to other city general purpose committees in the same city.

The Santa Cruz County Filer Access Portal

The County Elections department will set up a Netfile account in our admin system after receiving an FPPC campaign committee form. After an account is created, an e-mail will be sent via Netfile that will include a welcome letter with instructions on how to create a user log in and how to link to the account.

After you have successfully linked your account, you will be able to electronically file your disclosure reports.

Netfile technical support can be reached via email at filerhelp@netfile.com

How to Get Help from the FPPC

<https://www.fppc.ca.gov/advice/get-advice.html>

Assistance by Email (informal advice)

Email communications are public documents and may be provided to others under the California Public Records Act.

Email advice is best suited for straightforward questions such as: When does a local ballot measure committee file its Form 410?; After assuming my new position as mayor how many days do I have to file the Form 700?

Email advice is not the forum for complex conflict-of-interest questions, questions that include incomplete or complicated facts, or questions that require substantial legal analysis.

Email directions:

- Identify yourself, contact phone and position
- List the agency that is related to your question
- Write your question with as much specificity as possible
- If you have a question on a Form 700 disclosure include your disclosure category.
- For Gift and Travel Questions we need the following Information:
- Identify source of gift or travel and whether the source is a governmental agency or a 501(c)(3) organization.
- If the source of the gift or travel is reimbursed, provide details on who is making the reimbursement.
- Date(s) gift received or date(s) of travel.
- Describe gift (i.e. meal, sports or entertainment event tickets) or travel (i.e. airfare, other transportation, meals, lodging)
- Include facts on whether the public official is making a speech or performing a ceremonial role.
- Describe how the travel is reasonably related to a legislative or governmental purpose, or to an issue of state, national, or international public policy.

Please Note: Third party, hypothetical questions and enforcement related matters are not addressed.

Informal Telephone and Email Advice

This advice is considered informal assistance, and conservative responses are provided. In most instances, email advice will link you to the appropriate reference material posted on the FPPC website.

Both Telephone and Email Advice provide guidance based on facts provided through the inquiry. Advice does not provide immunity under Government Code Section 83114 and does not constitute legal advice or alter any legal right or liability. Political Reform Consultants will respond to your request for guidance, but the response is not a rule, regulation or statement binding or a final decision of the FPPC. Advice is only applicable to the specific person submitting the question and to the specific question asked.

Notes:

- Answers to questions on past conduct or hypothetical situations are not provided.
- Advice regarding a person's duty is only provided to that person or their authorized representative.
- The FPPC does not provide guidance on laws other than the Political Reform Act (e.g. the Elections Code, the Brown Act, Federal or local laws.).
- The FPPC does not confirm in writing telephone advice.

Formal Written Advice

Under Government Code Section 83114(b) and Commission regulations, any individual or entity (or their authorized representative) may request formal written advice from the Commission staff concerning their duties under the Political Reform Act. The request must be in writing, provide specified information about the requestor, and contain sufficient information on which the Commission staff can do a complete legal analysis. If the request meets these criteria, the Commission must provide formal written advice within 21 working days.

Formal written advice provides the requestor with immunity from prosecution by the Commission and provides evidence of good faith conduct in any relevant civil or criminal proceeding brought by another person, so long as the facts presented by the requestor are accurate and the requestor acts within the confines of the formal advice provided. Formal written advice does not provide immunity to people other than the requestor, although it may be used as guidance for questions based on similar facts.

The Commission may provide an informal written reply with general guidance in response to written requests for advice that do not meet the criteria for formal written advice. Since formal and informal written advice is provided by Commission staff, neither constitutes a formal opinion by the Commission under Government Code Section 83114(a) or a statement of Commission policy. More details about the written advice process can be found in Section 18329 of Title 2 of the California Code of Regulations.

Commission Opinions

Under Government Code Section 83114(a) and Commission regulations, any individual or entity (or their authorized representative) may request a formal opinion from the Commission concerning their duties under the Political Reform Act. The Commission's Executive Director must accept or reject a request for a formal opinion within 14 days. A request will normally be rejected if the question can be answered under existing statutes or regulations or does not otherwise present a significant policy issue.

In addition, since the process requires formal action by the Commission, if the request is accepted, it normally takes several months after the question is submitted before a formal opinion may issue from the Commission. A formal opinion issued by the Commission provides the requestor with immunity from civil or criminal prosecution under the Political Reform Act so long as the facts presented by the requestor are accurate and the requestor acts within the confines of the opinion. More details about the formal opinion process can be found in Sections 18320 through 18326 of Title 2 of the California Code of Regulations.

Campaign Finance Prohibitions

State law provides for the following prohibitions regarding campaign funds:

- No contribution of one hundred dollars (\$100) or more shall be made or received in cash. If a cash contribution is made, it shall not be deemed received if it is refunded within 72 hours of receipt or in the case of a late contribution, within 48 hours of receipt.
- No expenditure of one hundred dollars (\$100) or more shall be made in cash.
- The value of all in-kind contributions of one hundred dollars (\$100) or more shall be reported in writing to the recipient upon the request in writing of the recipient. (Govt. Code §84300)
- No contribution shall be made, directly or indirectly, by any person in a name other than the name by which such person is identified for legal purposes. (Govt. Code §84301)
- No person shall make an anonymous contribution or contributions to a candidate, committee or any other person totaling one hundred dollars (\$100) or more in a calendar year. An anonymous contribution of one hundred dollars (\$100) or more shall not be kept by the intended recipient but instead shall be promptly paid to the Secretary of State for deposit in the General Fund of the state. (Govt. Code §84304)
- No contribution shall be commingled with personal funds of the recipient or any other person. (Govt. Code §84307)
- Contributions made by a husband and wife may not be aggregated. A contribution made by a child under 18 years of age is presumed to be a contribution from the parent or guardian of the child. (Gov. Code §85308)
- No newsletter or other mass mailing shall be sent at public expense. (Govt. Code §89001)
- Every person who contrives, prepares, sets up, proposes, or draws any lottery or raffle, is guilty of a misdemeanor. (Penal Code §319, 320)

Mistakes Others Have Made

The Franchise Tax Board is authorized under Section 90001 of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- Even unopposed candidates are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code §82007)
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$2,000 or more during a calendar year. Candidates for county offices (excludes judges, school boards and special district boards) must file a Form 410 prior to the acceptance of any campaign contribution totaling \$1000 or more or the making of any expenditure intended to influence the outcome of any election. (Co. Code 8.04.070)
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.
- Loans to a candidate are considered contributions unless the loan is from a financial institution. The Federal Election Campaign Act (2 U.S.C. §442b & e) prohibits contributions from national banks, national corporations, and foreign nationals in connection with any local, state, or federal election to political office.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee. (Gov. Code §85200)
- Otherwise, campaign disclosure laws require that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payer. (Gov. Code §84300) The candidate may reimburse himself with committee funds and list it as a campaign expenditure on Schedule E.
- Candidates for County Offices are prohibited from receiving contributions from business entities or labor unions. However, if the business or labor committee is created for or sponsored by a corporation, partnership or labor union or other business entity for the sole purpose of using voluntary donations of its individual members or employees for political purposes may make contributions up to \$1000 in support of or in opposition to a candidate or recall. (Co. Code Section 8.04.050)
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, address, occupation and employer. Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card. (Gov. Code §84300)

- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$2,000. Refer to recordkeeping guidelines in Manuals 1 and 2.
- Make copies of all contributor checks.
- Itemize expenditures of \$500 or more made by an agent or campaign consultant.
- No candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type which shall be in a color or print which contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State. (GC §84305(a))
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.
- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity. If a 470 has been filed previously in the year, another 470 must be filed as the Semi-Annual Statement.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed.
- If \$1,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

Form 700: Disclosure of Economic Interests

Who Must File

State law (the Political Reform Act of 1974) requires candidates for federal, state, and county offices to disclose their interests in real property and income within the past 12 months in a Statement of Economic Interests (Form 700) to be filed with the Declaration of Candidacy (Gov. Code §87200, et. seq.)

Electioneering

100 Feet Rule

No person, on election day, or at any time that a voter may be casting a ballot, shall, within 100 feet of a polling place, a satellite location under Section 3018, or an elections official's office:

- (a) Circulate an initiative, referendum, recall, or nomination petition or any other petition.
- (b) Solicit a vote or speak to a voter on the subject of marking his or her ballot.
- (c) Place a sign relating to voters' qualifications or speak to a voter on the subject of his or her qualifications except as provided in Section 14240.
- (d) Do any electioneering as defined by Section 319.5.

As used in this section, "100 feet of a polling place, a satellite location under Section 3018, or an elections official's office" means a distance 100 feet from the room or rooms in which voters are signing the roster and casting ballots.

Any person who violates any of the provisions of this section is guilty of a misdemeanor.

(EC 18370)

Electioneering During Vote-by-mail Voting

Pursuant to Elections Code §18371 no candidate or representative of a candidate, and no proponent, opponent, or representative of a proponent or opponent, of an initiative, referendum, or recall measure, or of a charter amendment, shall solicit the vote of a vote-by-mail voter, or do any electioneering, while in the residence or in the immediate presence of the voter, and during the time he or she knows the vote-by-mail voter is voting.

Any person who knowingly violates this section is guilty of a misdemeanor.

This section shall not be construed to conflict with any provision of the federal Voting Rights Act of 1965, as amended, nor to preclude electioneering by mail or telephone or in public places, except as prohibited by Section 18370, or by any other provision of law.

Poll Watchers

Poll watchers are allowed at the polling place if they obey the law and election procedures.

Persons observing the polls may:

- Inspect the Roster of Voters. Any such inspection, however, must be done without impeding, interfering or interrupting the normal process of voting and counting.
- Inspect the Public's Alpha Index updated regularly by the precinct workers. The index may not be removed from the polling place.
- Observe all activities at the polling place, including activities after the polls close, providing they do not interfere with the normal processing of voters.

Exit Polling

The Secretary of State and Attorney General have reviewed the Electioneering provisions and have determined that these provisions do not apply to the Press and Media conducting "Exit Polls." However, no one may interfere with the conduct of the election. Therefore, news media have been advised to remain at least 25 feet from the entrance to the polls. The media may take pictures or run a television camera inside the polling place providing they respect the voters' privacy and do not interfere with voting. They may not speak to voters regarding how they are voting within 25 feet of the entrance to the polling place.

Election night results are not final

Once the last ballot is counted, an Election Night Summary Vote Report will be available from the Elections Department. It will also be posted on our website. Ballots will be added to the election night count during the canvass. Vote totals will change as more qualified ballots are added to the count. Winners cannot be declared until all votes in the jurisdiction are certified.

Precinct-by-precinct numbers

In addition to posting precinct results at each voting precinct, a report showing votes by precinct based on ballots counted Election Night will be posted on our website Wednesday, June 3.

Final Results

The official canvass of ballots will begin no later than Thursday, June 4. The law gives us 30 days to complete the canvass and certify the final vote totals. Please call to verify when the final count will occur.

The Canvass

The official canvass of votes cast at the June 2, 2025 Statewide Primary Election may begin no later than Thursday, June 4, 2026 pursuant to Elections Code §15301, 15372.

All post-election manual tally requirements must be completed within the canvass period established by Elections Code §10262 and §15372.

Periodic updates of results before final certification: The Elections Department will do periodic updates of the vote count. Once all provisional ballots and vote-by-mail ballots are processed and precinct supplies are sorted through to ensure all ballots are accounted for, a final count of ballots will take place. The time and date of any update and the final count will be posted on our website.

Vote-By-Mail ballot numbers provided by district: Vote-by-Mail ballots may be dropped off at any polling place on Election Day. In addition, numerous vote-by-mail ballots are received in the mail or our drop box in front of the county building in the final days before the election and are stored in trays until after Election Day when there is adequate time to process these ballots. Ballots postmarked by Election Day and received in the mail by the Friday after the election will be added to the count if the voter is qualified.

On election night, the Elections Department will be able to provide an **estimate** of the number of vote-by-mail ballots received that remain to be counted during the canvass.

Once all the vote-by-mail ballots are keyed into the computer system and flagged as returned, we will be able to provide a count of vote-by-mail ballots left to be processed. A report can be run that will show how many remain in each ballot type.

Usually, this report is available a week after the election.

Vote-By-Mail Ballot Processing: On election night all the vote-by-mail ballots that have been received and processed prior to Election Day are counted. The law allows elections officials to begin to process vote-by-mail ballots 7 working days prior to the election. For a vote-by-mail ballot to be ready to be counted, the following has to occur:

- a) flag returned vote-by-mail ballots on computer system;
- b) compare signature of voter on vote-by-mail ballot envelope to the signature on computer from the voter's registration affidavit, if there is a discrepancy, the ballot is separated for review by a supervisor;
- c) sort vote-by-mail ballots by consolidated voting precinct;
- d) open vote-by-mail ballot identification envelopes within each sorted group. Identification envelopes are placed signature side down and the voted ballot is removed. An envelope returned empty without a ballot is noted. Empty identification envelopes are removed from the table. The number of opened vote-by-mail ballot identification envelopes are counted and the number of voted ballots are counted. If numbers do not match, research is done until the numbers are reconciled;
- e) voted ballots are then inspected for damage or marks that would affect the accuracy of counting the ballot. Ballots are corrected pursuant to Elections Code §15210 or duplicated if necessary, by the canvassing board.
- f) vote-by-mail ballots issued on the day before or the day of the election are verified against the precinct rosters prior to processing to ensure against voting twice. Lists of vote-by-mail voters who

are issued ballots prior to the day before the election are delivered to the precinct inspectors who mark the names in the Alpha Index as having already received a ballot.

g) ballots are then prepared for tallying final election results.

It typically takes approximately 10 days to process the outstanding Vote-by-Mail ballots.

Provisional Ballot Numbers & Processing: The number of provisional ballots voted at each precinct is available on election night. However, the number of provisional ballots voted at the Elections office or central location are not tallied. Therefore, an official number of provisional ballots to be processed will not be available until the ballot envelopes are researched and keyed into the computer.

The Elections Department does not provide a breakdown of the numbers of provisional ballots by district but can provide the list of those turned in by precinct and a list of precincts in each district.

Provisional voters include:

- registered voters who move within the same county but fail to re-register to vote, who vote at their new polling place, the Elections Department or central location;
- voters who are not listed on the Alpha Index at the polling place;
- voters who have been issued a vote-by-mail ballot, show up at the polling place to vote, but fail to surrender their vote-by-mail ballot;
- any other voter whose eligibility to vote was questioned by the precinct officer.

Provisional ballots are investigated by the Canvass Board once all the vote-by-mail ballots have been keyed in as returned. When there is a question of the voter's right to vote, the supervisor investigates. All valid provisional ballots are then prepared for the official count.

The provisional ballot process takes 5 to 10 days following completion of the Vote-by-mail ballot processing.

Reconciliation - Precinct Ballots: The Canvass Board reviews Ballot Statements for accuracy and compares numbers of ballots counted by the computer to the number recorded by the Precinct Board. The Canvass Board verifies the number of Vote-by-Mail and Provisional ballots reported turned in by the Precinct Board with the number received by the Receiving Board on Election night. Differences are computed and discrepancies are investigated. Ballots which were not tallied on election night because they were damaged or rejected by the scanners are remade for the final ballot count. The Canvass Board also examines each roster for completion of all Certificates, Oaths and Declarations. Irregularities are noted and investigated. Payroll forms are forwarded to the Precinct Recruitment Officer who enters in the appropriate information on the computer database and forwards the payroll data to the Auditor.

This procedure takes 3 to 5 days.

Write-In Votes: Votes for qualified write-in candidates are manually counted by precinct. A summary of the votes cast for qualified write-in candidates is printed in the certified statement of vote. A copy is available upon the final tally of the votes cast. Votes are not tallied for write-in candidates that did not file as a qualified write-in candidate.

This procedure takes 3 to 5 days depending on the number of write-in candidates.

1% Manual Recount (§15360): (a) During the official canvass of every election in which a voting system is used, the elections official shall conduct a public manual tally of the ballots tabulated by those devices, including vote by mail ballots, using either of the following methods:

(1) (A) A public manual tally of the ballots canvassed in the semifinal official canvass, including vote by mail ballots but not including provisional ballots, cast in 1 percent of the precincts chosen at random by the elections official. If 1 percent of the precincts is less than one whole precinct, the tally shall be conducted in one precinct chosen at random by the elections official.

(B) (i) In addition to the 1 percent manual tally, the elections official shall, for each race not included in the initial group of precincts, count one additional precinct. The manual tally shall apply only to the race not previously counted.

(ii) The elections official may, at the elections official's discretion, select additional precincts for the manual tally, which may include vote by mail and provisional ballots.

(2) A two-part public manual tally, which includes both of the following:

(A) A public manual tally of the ballots canvassed in the semifinal official canvass, not including vote by mail or provisional ballots, cast in 1 percent of the precincts chosen at random by the elections official and conducted pursuant to paragraph (1).

(B) (i) A public manual tally of not less than 1 percent of the vote by mail ballots canvassed in the semifinal official canvass. Batches of vote by mail ballots shall be chosen at random by the elections official.

(ii) For purposes of this section, a "batch" means a set of ballots tabulated by the voting system devices, for which the voting system can produce a report of the votes cast.

(iii) (I) In addition to the 1 percent manual tally of the vote by mail ballots, the elections official shall, for each race not included in the initial 1 percent manual tally of vote by mail ballots, count one additional batch of vote by mail ballots. The manual tally shall apply only to the race not previously counted.

(II) The elections official may, at the elections official's discretion, select additional batches for the manual tally, which may include vote by mail and provisional ballots.

(b) The elections official shall use either a random number generator or other method specified in regulations that shall be adopted by the Secretary of State to randomly choose the initial precincts, batches of vote by mail ballots, or direct recording electronic voting machines subject to the public manual tally.

(c) The elections official shall not randomly choose the initial precincts or select an additional precinct for the manual tally until after the close of the polls on election day.

(d) The manual tally shall be a public process, with the official conducting the election providing at least a five-day public notice of the time and place of the manual tally and of the time and place of the

selection of the precincts, batches, or direct recording electronic voting machines subject to the public manual tally before conducting the selection and tally.

(e) The elections official shall include a report on the results of the 1 percent manual tally in the certification of the official canvass of the vote. This report shall identify any discrepancies between the machine count and the manual tally and a description of how each of these discrepancies was resolved. In resolving a discrepancy involving a vote recorded by electronic or electromechanical vote tabulating devices, the voter verified paper audit trail shall govern if there is a discrepancy between it and the electronic record.

The 1 percent tally procedure takes approximately 5 to 10 days.

FAQs

Candidates running for public office must satisfy many requirements set forth in law and regulation. Over the years, certain aspects of the nomination process have been identified as areas where prospective candidates seem to encounter problems. To assist candidates in avoiding these “pitfalls” the following questions and answers have been prepared.

Do I need an appointment?

No appointment is needed for services at the Santa Cruz Elections office. City council candidates should contact the city clerk for more information.

Is your office open during the lunch hour?

Yes. Office hours during filing periods are 8am to 5pm, Monday through Friday, excluding holidays, and we remain open between noon and 1pm.

May a second party pick up my Declaration of Candidacy for me?

All forms must be either picked up in person by the candidate or a letter of specific authorization, signed by the candidate, must be presented by the candidate's representative.

May a second party file my Declaration of Candidacy or mail them to you?

Election law does not specifically prohibit another person filing a Declaration of Candidacy for a candidate. However, candidates are urged to file in person. The reasons are twofold:

The oath or affirmation must be administered by a member of the Elections Department or a notary. It is easier for a candidate to file the Declaration of Candidacy in person and have the oath administered at the time the candidate files; and

The signature of the candidate, as well as other data, is required on the Declaration of Candidacy. If through an oversight the candidate's papers are incomplete, the problem can be easily rectified when a candidate files in person.
