Statement of **JOHN LAIRD**, Candidate for
State Assembly
27th District

Occupation: State Assemblymember

Age: 56

I have been honored to represent Santa Cruz County in the State Assembly the past four years. I have moved into the Assembly leadership as Chair of the Budget Committee and as a lead member of the conference committees on the budget and the infrastructure bond package.

As a leader in the Assembly, I have fought to extend health insurance to all California children, roll back community college fees, restore education funding, ensure that California's environmental protection is strong, and give working people a fair shake from state government.

My bills to help first-time homebuyers in Santa Cruz County, extend state civil rights protections, protect agricultural land from urban development, give public transit workers a role in managing their pension funds, expand the number of children in school nutrition programs, and restore community college health services have all been signed into law.

I am particularly proud of the successful bipartisan effort to pass the Laird-Leslie Act, which established the Sierra Nevada Conservancy.

We still must extend health care to all Californians, ensure access to higher education and work together to attack the problem of global warming.

I bring to my job thirty years experience as a mayor, councilmember, community college trustee, congressional assistant, budget analyst, non-profit executive director and community activist.

It is an honor to serve you in the state legislature. I ask for your support - in both the election and with the continuing challenges facing California and the Monterey Bay Area.

Declaración de **JOHN LAIRD**, Candidato para la
Asamblea Estatal
Distrito 27

Ocupación: Asambleísta estatal

Edad: 56

Durante los últimos cuatro años, he tenido el honor de representar al Condado de Santa Cruz ante la Asamblea Estatal. He ingresado en la dirección de la Asamblea como presidente del Comité del Presupuesto y como miembro dirigente de los comités de conferencia sobre el presupuesto y sobre el paquete de bonos para la infraestructura.

Como líder de la Asamblea, he luchado para extender el seguro médico para todos los niños de California, para reducir las colegiaturas de los colegios comunitarios, para restablecer el financiamiento de la educación, para garantizar que la protección ambiental de California sea fuerte y para darles a las personas que trabajan un trato justo con el gobierno estatal.

Mis proyectos de ley para ayudar a las personas que compren su primera residencia en el Condado de Santa Cruz, para extender las protecciones de los derechos civiles en este Estado, para proteger las tierras agrícolas contra la expansión urbana, para concederles a los trabajadores del transporte público influencia en la administración de sus fondos de pensiones, para ampliar el número de programas de nutrición para los niños escolares, y para restaurar los servicios médicos de los colegios universitarios, y todos fueron refrendados y convertidos en ley.

Estoy particularmente orgulloso de la exitosa iniciativa bipartidista para aprobar la Ley Laird-Leslie, la cual estableció la Junta de Protección Ambiental de la Sierra Nevada.

Todavía tenemos que extender el cuidado de la salud a todos los residentes de California, garantizar el acceso a la educación superior y trabajar juntos para acometer el problema del calentamiento del planeta.

Llevo a mi trabajo treinta años de experiencia como alcalde, concejal, miembro del consejo de administración de colegio comunitario, ayudante legislativo, analista de presupuestos, director ejecutivo de una empresa sin fines de lucro y activista en la comunidad.

Es un honor servirle a usted en la legislatura estatal. Le pido su apoyo – tanto en las elecciones como en los constantes asuntos desafiantes que California y el Área de la Bahía tienen que enfrentar. www.johnlaird.org

Occupation: Local Business Owner/Parent **Age:** 48

Hard Work with Straight Talk.

I am your candidate for Cabrillo College Board. Many of our young people are not properly prepared to enter our local workforce. With your vote, you will help me fix this problem.

I'm a "hands-on" guy who is in the trenches working hard for the American Dream everyday. Cabrillo College should exist to better prepare our students for vocational trades and good jobs. This will be my Primary Mission on the Governing Board.

Information about me is an open book. My family has lived in Santa Cruz County for over 40 years. My wife and I own and operate small businesses in Aptos Village. You can talk with me anytime by visiting any of my 3 Wilson's Tires locations.

Many voters know about Cabrillo College, but don't know their elected Cabrillo Board Members. My candidacy changes that.

I'm the only candidate in this race to submit a written statement of my views on how to better represent you. The incumbent's silence speaks volumes. My campaign is supported by the Senior Coalition, and current School Board Presidents of the Pajaro and Soquel School Districts. I ask for your vote as well.

Statement of **SHARON GRAY**, Candidate for
Governing Board Member, Trustee Area 7
Pajaro Valley Unified School District

Occupation: Incumbent School Board Member / Teacher

It has been a privilege to serve as your elected Member on the Pajaro Valley School Board for the past 12 years. Our Board of Trustees has worked diligently to insure that all school children receive the best possible education.

We have been especially blessed with the stellar success of our students in the PVUSD North Zone: Rio Del Mar, Aptos/Seacliff and La Selva Beach. The students and staff at the Elementary schools deserve to be proud of their excellence in achievement. They were recently honored at both the State & Federal levels.

I'm asking the voters for a final term to accomplish the following:

- Finish shepherding the AHS Bond Construction Project
- Prepare our Secondary schools (grades 7-12) for even greater student achievement and college acceptance
- Implement a special — "North Zone School Calendar" which better reflects the needs of our parents & kids
- Complete our District's important compliance work with the State Committee on Teacher Credentialing as the official School Trustee appointee of the Governor

I pledge to serve you with continued energetic involvement and unwavering commitment for the education of our local children.

I would appreciate your vote again on Election Day. Thank you.

Statement of **JOHN BROUGH**, Candidate for
Governing Board Member, Trustee Area 7
Pajaro Valley Unified School District

Occupation: Environmental Health & Safety Educator

Age: 45

The next generation of students will live in an ever-shrinking world requiring new and more complex skill sets to survive. It's not so simple as mastering "The 3 R's" and having well-meaning community leaders pledging to work together for "Good Schools." My extensive personal & multi-cultural business experience has proven otherwise.

As Trustee, I will advocate for bilingualism (with English Language emphasis) in our Elementary classrooms. It is true that our local schools have won many prestigious awards. Students, parents, teachers and School Board Members must be commended. However, there should always be an opportunity for improvement when striving for educational excellence.

Outstanding Student achievement is not just measured through "cookie-cutter" methods of standardized testing. Diversity of curriculum prepares our youth for survival and eventual success in an increasingly growing Global Economy. Independent thinking must be stimulated and nurtured within each student.

Sustainable communities begin with preparing future leaders to become good stewards of the Environment we all share. Teachers need to be paid better to accomplish these lofty goals. When elected, I will support living wages for our School Employees. Please Remember...

If we are together, kids will succeed. I respectfully ask for your vote.

Declaración de **JOHN BROUGH**, Candidato para
Miembro del Consejo de Gobierno, Área de Síndico núm. 7
Distrito Escolar Unificado de Pájaro Valley

Ocupación: Educador en salud y seguridad ambientales

Edad: 45

La próxima generación de alumnos vivirá en un mundo cada vez más pequeño que requerirá conjuntos de habilidades nuevos y más complicados para sobrevivir. No es tan fácil como estudiar las materias "básicas" y tener líderes comunitarios con buenas intenciones que prometan trabajar juntos para "buenas escuelas". Mi vasta experiencia personal y experiencia multicultural en el comercio me han demostrado lo contrario.

Como Síndico, abogaré por un ambiente bilingüe (acentuando el idioma inglés) en nuestras escuelas primarias. Es cierto que nuestras escuelas locales han obtenido muchos premios prestigiosos. Es preciso felicitar a los alumnos, a los padres, a los maestros y a los integrantes del consejo escolar. Sin embargo, cuando se hace esfuerzos por la excelencia en la educación siempre debe haber lugar para mejoras.

Un desempeño escolar sobresaliente no puede ser medido solamente por métodos preestablecidos en exámenes normalizados. La diversidad del programa académico prepara a nuestros jóvenes para sobrevivir y más adelante tener éxito en una economía global que sigue creciendo. Es preciso estimular y cultivar el pensamiento independiente de cada uno de los alumnos.

Para establecer una comunidad sostenible el primer paso consiste en preparar a los líderes del futuro a cuidar bien el medio ambiente que todos compartimos. Para poder realizar estas metas elevadas hay que aumentar los sueldos de los maestros. Cuando sea elegido, abogaré por salarios dignos para los empleados de nuestras escuelas. Por favor, recuerde...

Si nos juntamos, los niños tendrán éxito. Le pido respetuosamente su voto.

Statement of **JOE PENDRY**, Candidate for
Director, Division A
Pajaro Valley Water Management Agency

Occupation: Social Worker, Retired

I am a candidate for the PVWMA Board. I believe change is needed as well as a strong voice and advocacy for water conservation. I wish to bring a strong public focus on water conservation, evaluation of conservation measures; both of which are presently non-existent. An answer must be found to the longstanding over-draft of the aquifer. I have no magic answer but a strong conservation campaign and a halt to the unsustainable rush to development are possibilities to explore. I have no conflicts of interest.

Qualifications: I graduated from Purdue University 1959 with a BS and from UC 1970 with a Masters in Social Work. I have been employed in Santa Cruz and Santa Clara county mental health systems and in San Benito County as Director of Alcohol and Drug Programs managing Prevention and Treatment Programs with a million dollar budget

I have attended PVWMA Board and Committee meetings for much of the past 4 years and have a good knowledge of what is going on and what is needed at PVWMA. What is not needed is more battery's of attorneys and flocks of highly paid consultants!

I would appreciate your vote.

Statement of **WARREN KOENIG**, Candidate for
Director, Division A
Pajaro Valley Water Management Agency

Occupation: Retired Ph.D. Chemical Engineer

As a 25-year owner of farmland and an inland resident of the Pajaro Valley, I am well qualified to serve as director on the Pajaro Valley Water Management Agency Board. I am currently Chairman of the Santa Cruz County Water Advisory Commission and have been closely involved with water resources issues of the Pajaro Valley and throughout the county for over 15 years.

My credentials: I served as a director of the Pajaro Valley Water Management Agency from 1998 through 2002 and was closely involved in the Basin Management Plan development and approval. Water is a precious resource of our community. As a member of the Board of Directors I have worked to protect that resource by (1) enacting an aggressive water conservation program to reduce water usage, (2) developing strategies to minimize the risk of salt water entering our aquifer from the ocean, and (3) decreasing deadly Arsenic in our water by building a state of the art water treatment plant. I will continue to use my technical expertise to develop new and creative approaches to protect our water. My qualifications include:

- *Educated* in sciences related to water (Doctorate in Geology from UCSC, Masters in Geological Oceanography from University of Washington, Bachelors in Earth Sciences from UCSC, 24 years professional experience in Earth Sciences)
- *Active* in the community (25-year resident of mid-County, participates in community groups, knows how water problems relate to local problems and politics)
- *Concerned* that we have an ample safe, clean water supply in the future (father of two, plans on living in mid-County for many years to come)

I appreciate your vote so we can keep the Soquel Water Board on track to ensure clean, fresh water for the future.

Statement of **DANIEL F. KRIEGE**, Candidate for
Director
Soquel Creek Water District

Occupation: Civil Engineer

In the management of our precious water experience definitely counts! My experience in water management, including water supply and water quality, includes careful conservation and the highest concern for our environment. I have been professionally involved in water management for over 35 years. Proper management of our existing water supply with a vision for the future, including fiscal responsibility, is imperative for the Water District. Our water quantity and quality must be adequate to meet our needs. The currently over-drafted ground water supply must be protected from contamination. We need to reduce pumping and create an additional water supply.

As an incumbent member of the Soquel Water District Board of Directors, I have been instrumental in providing sound decisions. My professional career with the Santa Clara Water District as manager of Operations, gave me extensive knowledge in water management. As the former chairperson of the California Water Commission, my experience in state water issues gives me an over-all view of California's water issues, a valuable source of knowledge of state funding for a portion of our supplemental water supply.

Professional consultant in water supply.

Registered Civil Engineer with a Master's Degree.

Vice-president in charge of construction for Habitat for Humanity.

Statement of **DON HOERNSCHEMEYER**, Candidate for
Director
Soquel Creek Water District

Occupation: Research Chemist

During my industrial career I helped develop reverse-osmosis technology for water purification. Best-technology solutions like this are needed more than ever as our community faces serious water quality challenges.

In the past, it was sufficient that board members had a good business sense and an honest heart. However, in our modern world, additional skills like my Ph.D. in chemistry are vital for management of our dwindling natural resources. It will be difficult to move beyond the current crises without advanced skills among the board members.

My qualifications for the Board of Directors include:

- Ph.D. in chemistry and professional experience in solving a wide variety of chemical problems.
- Business experience as a manager of Research and Development, and Quality Assurance in several companies.
- Experienced as a board member in a local church and in the Professional and Technical Consultants Association.
- An 18-year resident in mid-county and active in community projects.
- Dedicated to sustainable water management for ourselves and for future generations.

I want your vote so that I can help the water district continue to develop sound solutions to our water issues.
