Statement of **JOHN LAIRD**, Candidate for
State Assembly
27th District

Occupation: State Assemblymember

Age: 56

I have been honored to represent Santa Cruz County in the State Assembly the past four years. I have moved into the Assembly leadership as Chair of the Budget Committee and as a lead member of the conference committees on the budget and the infrastructure bond package.

As a leader in the Assembly, I have fought to extend health insurance to all California children, roll back community college fees, restore education funding, ensure that California's environmental protection is strong, and give working people a fair shake from state government.

My bills to help first-time homebuyers in Santa Cruz County, extend state civil rights protections, protect agricultural land from urban development, give public transit workers a role in managing their pension funds, expand the number of children in school nutrition programs, and restore community college health services have all been signed into law.

I am particularly proud of the successful bipartisan effort to pass the Laird-Leslie Act, which established the Sierra Nevada Conservancy.

We still must extend health care to all Californians, ensure access to higher education and work together to attack the problem of global warming.

I bring to my job thirty years experience as a mayor, councilmember, community college trustee, congressional assistant, budget analyst, non-profit executive director and community activist.

It is an honor to serve you in the state legislature. I ask for your support - in both the election and with the continuing challenges facing California and the Monterey Bay Area.

Declaración de **JOHN LAIRD**, Candidato para la
Asamblea Estatal
Distrito 27

Ocupación: Asambleísta estatal

Edad: 56

Durante los últimos cuatro años, he tenido el honor de representar al Condado de Santa Cruz ante la Asamblea Estatal. He ingresado en la dirección de la Asamblea como presidente del Comité del Presupuesto y como miembro dirigente de los comités de conferencia sobre el presupuesto y sobre el paquete de bonos para la infraestructura.

Como líder de la Asamblea, he luchado para extender el seguro médico para todos los niños de California, para reducir las colegiaturas de los colegios comunitarios, para restablecer el financiamiento de la educación, para garantizar que la protección ambiental de California sea fuerte y para darles a las personas que trabajan un trato justo con el gobierno estatal.

Mis proyectos de ley para ayudar a las personas que compren su primera residencia en el Condado de Santa Cruz, para extender las protecciones de los derechos civiles en este Estado, para proteger las tierras agrícolas contra la expansión urbana, para concederles a los trabajadores del transporte público influencia en la administración de sus fondos de pensiones, para ampliar el número de programas de nutrición para los niños escolares, y para restaurar los servicios médicos de los colegios universitarios, y todos fueron refrendados y convertidos en ley.

Estoy particularmente orgulloso de la exitosa iniciativa bipartidista para aprobar la Ley Laird-Leslie, la cual estableció la Junta de Protección Ambiental de la Sierra Nevada.

Todavía tenemos que extender el cuidado de la salud a todos los residentes de California, garantizar el acceso a la educación superior y trabajar juntos para acometer el problema del calentamiento del planeta.

Llevo a mi trabajo treinta años de experiencia como alcalde, concejal, miembro del consejo de administración de colegio comunitario, ayudante legislativo, analista de presupuestos, director ejecutivo de una empresa sin fines de lucro y activista en la comunidad.

Es un honor servirle a usted en la legislatura estatal. Le pido su apoyo – tanto en las elecciones como en los constantes asuntos desafiantes que California y el Área de la Bahía tienen que enfrentar. www.johnlaird.org

Director
San Lorenzo Valley Water District

Occupation: Director of Engineering

Age: 51

I am an electronics engineer with 28 years experience in the Semiconductor Industry. While serving on the Waterman Gap Citizens Advisory Committee, I had the opportunity to learn from scientists, professionals, and environmentalists, and gained a better understanding of the watershed we live in. During my two terms of service on the Board of Directors I worked to protect Waterman Gap and acquire and preserve the Malosky Creek watershed to protect the district's surface water supply. I also worked to implement a capital equipment replacement fund, to initiate a 5-year capital improvement plan that will update the District's infrastructure, and to negotiate the deal for the acquisition of the Manana Woods mutual water works providing the district additional funds to offset needed infrastructure improvements. I support local control of the Felton Water Works and have been working diligently to assist the citizens in their efforts to acquire the Felton (Cal Am) system. I would appreciate your consideration for Water Board Director so that I may continue this important work.
