ORDERING AN ELECTION, AND ESTABLISHING
SPECIFICATIONS OF THE ELECTION ORDER

WHEREAS, the Board of Trustees (the "Board") of the Los Gatos-Saratoga Union High School District (the "District") is devoted to maintaining quality academic facilities at Los Gatos High School and Saratoga High School; and

WHEREAS, many of the District's high school buildings are over 100 years old, and it will cost more in the long term to maintain current plumbing and energy systems that are well beyond their useful life rather than replace them;

WHEREAS, the Board has determined that District high schools need to be upgraded, repaired, modernized and better equipped in a fiscally prudent manner, to enable the District to meet current health codes, building safety codes, and provide proper access for students with disabilities; and

WHEREAS, even residents of the District do not have school-age children, investing in local schools benefits everyone by strengthening the community and maintaining high property values; and

WHEREAS, the State of California (the "State") has been unable to provide the District with enough money for the District to adequately repair schools and upgrade classrooms to provide an optimal learning environment for all students; and

WHEREAS, the District has identified the most pressing needs in each of the District's schools to provide safe and modern classroom environments for all students; and

WHEREAS, the Board has received information regarding the possibility of a local bond measure and its bonding capacity; and

WHEREAS, a local measure will help provide funds that will replace leaky roofs, windows, plumbing, HVAC and energy systems to avoid ongoing and costly repairs; and

WHEREAS, while District students, teachers and academic programs are among the best in the nation, our high school buildings are in desperate need of repairs and upgrades, and a local bond measure will bring classrooms and labs up to the standard necessary to maintain our prestigious academics;

WHEREAS, such measure will include public disclosure of all spending, independent annual financial and performance audits, and the formation of a committee of local citizens and business owners to ensure funds are spent as promised and no funds are spent on administrator salaries; and

WHEREAS, such measure will ensure our classrooms and technology are up-to-date to attract and retain high-quality teachers and staff and maintain District high schools as some of the best in the State; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act ("Proposition 39") which reduced the voter threshold for *ad valorem* property tax levies used to pay for debt service on bonded indebtedness to 55% of the votes cast on a school district general obligation bond measure; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the "Act") became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight that are contained in Proposition 39 and the Act; and

WHEREAS, the District has conducted a comprehensive assessment of school facilities needs through the facility master planning process and identified the most urgent and high-priority facilities needs impacting academic instruction and student safety; and

WHEREAS, the Board and District have solicited stakeholder and community input on school priorities from parents, teachers, staff, the community and civic leaders; and

WHEREAS, the Board desires to authorize the submission of a proposition to the District's voters at an election to authorize the issuance of bonds to pay for certain necessary improvements and enhancements to District educational facilities which will improve the safety, health, and quality of education for students in the District; and

WHEREAS, the Board hereby determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39 which prohibit any bond money from being wasted or used for inappropriate administrative salaries or other operating expenses of the District shall be strictly monitored by the District's Citizens' Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued for school facilities will not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Elections Code Section 9400 *et seq.* requires that a tax rate statement be contained in all official materials relating to the election, including any ballot pamphlet prepared, sponsored, or distributed by the District; and

WHEREAS, the Board desires to authorize the filing of a tax rate statement and a ballot argument in favor of the proposition to be submitted to the voters at the election; and

WHEREAS, pursuant to the Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on Tuesday, November 3,
